

Health and Safety Policy

Our policy is to:

- a) Provide healthy and safe working conditions, equipment and systems of work for our volunteers, committee members, employee(s), users, visitors and hirers.
- b) Keep the Clinton Hall and equipment in a safe condition for all users.
- c) Provide such training and information as is necessary for staff, volunteers and users.

The Clinton Hall Management Committee will work in the furtherance of these aims by:

- a) identifying and assessing risks;
- b) recording assessments and regularly reviewing them;
- c) eliminating or controlling risks;
- d) monitoring compliance and work conditions;
- e) establishing a clear, sensible and practical safety organisation and arrangements.

It is the intention of the Clinton Hall Management Committee to comply with all Health and Safety legislation and to act positively where it can reasonably do so to prevent injury, ill health or any danger arising from its activities and operations.

Clinton Hall Management Committee considers the promotion of the health and safety of those who use its premises, including contractors who may work there, to be of great importance.

The Clinton Hall Management Committee recognises that the effective prevention of accidents depends as much on a committed attitude of mind to safety as on the operation and maintenance of equipment and safe systems of work. To this end, it will seek to encourage all volunteers, committee members, employee(s), users, visitors and hirers to engage in the establishment and observance of safe working practices.

Volunteers, committee members, employee(s), users, visitors and hirers will be expected to recognise that there is a duty on them to comply with the practices set out by the Clinton Hall Management Committee, with all safety requirements set out within any hiring agreement and with safety notices on the premises and on our website, and to accept responsibility to do everything they can to prevent injury to themselves or others.

Accidents must be noted in the Accident Book which is held behind Main Reception Desk and this is reviewed regularly by the Trustees.
